PRESIDENT'S COLUMN
HAPPY NEW YEAR!!!!

Welcome to 2024! I sincerely hope that everyone had a fantastic Christmas. I am looking forward to seeing the direction the club is headed in the New Year.

I hope that all of you that attended the Christmas Pot-luck had a great time. Thank you Dave and Brenda Caseday for all your hard work.

The photo contest was wonderful. All photos that were displayed were great photos. The ones that came out ahead were:

1st Place—Rayburn Mitchell \$50

2nd Place— Penny Haight \$30

3rd Place - Gary Bartman \$20

Rayburn is the lucky one that will have his photo on the front of the Directory for the next year. Congratulations to all of you. Keep this in mind for the next year when you are taking pictures of your car. You could be the winner.

I will not be at the meeting this month. However, Kirk Matteer will be leading the meeting in my absence. Please welcome all our new Board members for 2024.

Vice President - Kirk Matteer

Secretary - Rene Matteer

Sergeant at Arms - Rayburn Mitchell

Also, our new Webmaster is Pam McClafin

I also want to remind you with the new year brings the opportunity of serving on the Portland Swap Meet duty list. Mike will be bringing the signup sheet to this month's meeting. Last year we filled up in January and was the first club to turn in our completed list. This is our bread - and - butter people and you are a big part of making this a success.

Kirk will also be asking for our tour ideas. Put your thinking caps on and make this a year to remember.

Hope Santa was good to each and every one of you!

See you in February!

Best Regards,

Debbie Dutton

Coat from LEDA

Drawing by CLARA ERNST

The Smart Motor Coat Is Leather

The fashion house of Leda with its reputation for raincoats achieved a similar success with motor coats. This garment was invested with chic and flair. It was made of the softest and most supple lambskin, it is snug against the cold. Yet there is no bulk to this coat for in addition to the softness of the leather, the diagonal seaming's serve to exaggerate the slim silhouette. The lining of the coat as well as the scarf collar is kasha sporting a gay design of blue, green and yellow against a natural background. Wherever she is motoring, the feminine motorist is truly smart in this 1929 coat. Doubly so if it matches her car.
